

# **HUSKY** **Weather**BEATER™ **Custom Vehicle Floor Protection**

## CARE AND USE INSTRUCTIONS

---

Thank you for selecting a WeatherBeater™ Floor Liner from Winfield Consumer Products. Your new second seat liner is custom molded to fit your Honda Pilot. The liner is made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liner.** However, do not remove the factory-installed carpeting.

Your liner is made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.
