

HUSKY **WeatherBEATER™** **Custom Vehicle Floor Protection**

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater™ Cargo Liner from Winfield Consumer Products. Your new cargo liner is custom molded to fit your Toyota Fortuner. Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the cargo of your vehicle with a weight in each corner (a book works well). After 30 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner to a heated area will accelerate the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.

INSTALLATION INSTRUCTIONS FOR YOUR TOYOTA FORTUNER CARGO LINER

NOTE THAT YOUR LINER FITS TO THE BACK OF THE 2ND ROW SEATS AND ALLOWS USE OF THE 3RD ROW SEATING. TO ALLOW THE LINER TO BE USED IN CONJUNCTION WITH THE 3RD ROW OF SEATS YOU MUST TRIM THE AREAS SHOWN IN THE DRAWING ABOVE DARKENED. USE THE EDGE OF THE RAISED PERIMETER RIB AS YOUR TRIMMING GUIDE. ONCE THE AREAS ARE REMOVED FLIP THE 2ND AND 3RD ROW SEATS UP AND INSTALL THE LINER. THE 2ND SEAT WILL FASTEN DOWN THROUGH THE LINER WITH THE FRONT SET OF ROWS TRIMMED.
