

X-ACT CONTOUR® FLOOR LINERS

PT #5577

CARE AND USE INSTRUCTIONS

Thank you for selecting an X-act Contour® Floor Liner from Husky Liners. Your new third seat liner is custom molded to fit your vehicle. The liner are made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liner.** However, do not remove the factory-installed carpeting.

Your liner is made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.

INSTALLATION INSTRUCTIONS FOR YOUR X-ACT CONTOUR THIRD SEAT FLOOR LINER

TO INSTALL YOUR LINER, FLIP & SLIDE FORWARD THE 2ND ROW SEATS TO EXPOSE THE 3RD ROW FLOOR PAN. THEN, INSTALL YOUR LINER, POSITIONING IT AS SHOWN ABOVE. LASTLY, REPOSITION THE 2ND ROW SEATS. THE FRONT EDGE OF THE 3RD SEAT LINER TUCKS BEHIND THE REAR WALL OF THE 2ND SEAT LINER.
